Tuesday	1. What did I complete since the last standup?	• Attended the Business Idea session where the lecturer explained that all groups must register their ideas and prepare for presentations. • Participated in a team meeting to organise the presentation by assigning responsibilities such as presenter, slide designer, and screen sharer. • Contributed to planning the team's presentation strategy.
	2. What am I planning to complete between now and the next standup?	• Review the business idea to ensure it is ready for presentation. • Support the team in finalising the presentation slides. • Prepare for presenting the idea to the lecturer.
	3. What are my impediments (or risks or problems)?	• Finding a suitable time for all team members to meet.
	4. Reflection / Learning	• I learnt that effective planning and assigning clear roles early helps the team prepare more efficiently for presentations.

Wednesday	1. What did I complete since the last standup?	• Shared my screen during the presentation of the group's business idea on Microsoft Teams. • Listened to the feedback provided and discussed it with the team after the presentation. • Identified that the business idea required further refinement to improve its viability
	2. What am I planning to complete between now and the next standup?	• Analyse the lecturer's feedback. • Brainstorm improvements with the team to strengthen the business idea. • Update the project concept where necessary.
	3. What are my impediments (or risks or problems)?	• Time management
	4. Reflection / Learning	• I learnt that feedback is an important part of Agile because it helps identify weaknesses early and allows the team to improve.

Thursday	1. What did I complete since the last standup?	• Reviewed and refined the updated business idea documentation. • Prepared materials based on the revised project concept. • Attended another group's presentation to observe their approach and identify ideas that could improve our own project.
	2. What am I planning to complete between now and the next standup?	• Continue refining the business idea. • Apply lessons learnt from other groups' presentations. • Prepare any required updates based on lecturer feedback
	3. What are my impediments (or risks or problems)?	• Minor coordination challenges within the team.
	4. Reflection / Learning	• I learnt that observing other teams can provide valuable ideas and help identify opportunities to improve our own work.

Friday	1. What did I complete since the last standup?	• Focused on completing and updating the Agile logbook as instructed by the lecturer. • Participated in a team meeting to discuss the logbook requirements and ensure everyone completed their entries. • Reviewed the week's progress and identified areas that still required improvement.
	2. What am I planning to complete between now and the next standup?	• Finalise the logbook for submission. • Continue refining the project idea based on previous feedback. • Improve collaboration and communication within the team for upcoming project activities.
	3. What are my impediments (or risks or problems)?	• Balancing project work with other academic modules • Some team members experienced internet connectivity issues, making communication difficult.
	4. Reflection / Learning	• I learnt that maintaining an Agile logbook helps track progress, identify challenges early, and

		improve teamwork through regular reflection and communication.
